## **Toachi Mining Increases Previously Announced Private Placement Financing**

**Toronto, Ontario – May 20, 2016:** Toachi Mining Inc. (“Toachi” or the “Company”) (TSXV-TIM) is pleased to announce that it has amended the terms of its previously announced private placement offering (the “Offering”) of units (the “Units”) of the Company, announced on May 17, 2016. Under the amended terms of the Offering, Toachi and Beacon Securities Limited (“Beacon”), as lead agent and bookrunner, on its own behalf and on behalf of a syndicate of agents to be formed (the “Agents”), have agreed that up to 15,000,000 Units will be offered on a commercially-reasonable best efforts agency basis pursuant to private placement exemptions from prospectus requirements of applicable securities laws at a price of \$0.20 per Unit for gross proceeds to the Company of up to \$3,000,000.

Each Unit will be comprised of one common share (a “Common Share”) of the Company and one-half of one common share purchase warrant (each full common share purchase warrant being, a “Warrant”). Each Warrant shall entitle the holder thereof to acquire one Common Share at a price per Common Share of \$0.30 for a period of 24 months following the closing date.

The Agents have also been granted an option (the “Agents’ Option”) to increase the size of the Offering by up to an additional 2,500,000 Units, exercisable in whole or in part by Beacon on behalf of the Agents at any time up to 48 hours prior to the closing date. In the event the Agents’ Option is exercised in full, the aggregate gross proceeds to the Company will be up to \$3,500,000.

The net proceeds from the Offering are intended to be used to advance the Company’s La Plata gold-copper-silver-zinc volcanogenic massive sulphide property in Ecuador and for working capital and general corporate purposes. All securities issued in connection with the Offering will be subject to a four month hold period plus one day in accordance with applicable Canadian securities laws, commencing on the closing date of the Offering.
